Notes:

Times in **red** are for 'Set A', one of the two steam hauled carriage sets, including 3 TSOs (standard carriage with tables of four) and 1 BSK (brake coach with wheelchair area and compartments).
 Times in **blue** are for 'Set B', the other steam hauled carriage set, including 1 TSO, 1 BSO (with tables of four plus wheelchair area) and the Hawksworth Inspection Saloon (please note, an additional charge will apply for travelling in the first class inspection saloon).

Times in **green** are for the Diesel Multiple Unit (often referred to as the 'Heritage Diesel Railcar').

When the locomotive is shown as '96/55' or '55/96', this will be a double header with both 9681 and 5541 hauling the carriages.
